

Westwood Lodge COVID Safe Plan

The ACT Government requires all businesses to have a COVID-19 Safe Plan. Westwood Lodge has adopted the protocols and guidelines set down in the ACT Health Directorate's *School Excursions to the Australian Capital Territory COVID-19 Protocols*.

[School Excursion COVID-19 Protocols – Guidelines](#)
[COVID-19 Protocols Checklists, FAQs and Personal Health Declarations](#)

For the latest information about travel advice and restrictions in the ACT, visit the [ACT Government's COVID-19 website](#). Select the state or territory you're travelling from for specific information.

In line with the protocol, Westwood Lodge aims to provide the best protections against COVID-19.

Single cohort

Bookings will be accepted only for a single cohort (including the teachers and bus driver).

Isolation facility

In the event a person needs to be isolated from the cohort, a self-contained unit is available adjacent to the Lodge.

High standard cleaning is performed daily:

Frequently touched surfaces.

Door handles, tabletops, light switches, handrails, kitchen equipment, sinks, basins, bathrooms and toilets will be cleaned and disinfected each day using TGA approved disinfectants.

Floors

Floors will be cleaned daily. Hard surfaces will be damp mopped and soft surfaces vacuumed.

Minimally touched surfaces.

General surfaces will be cleaned daily using detergent/wipes.

Walls and blinds will be cleaned when visibly dusty or dirty.

Spills will be cleaned immediately.

PPE

Stocks of PPE including masks are available in Westwood Lodge.

Sanitiser points

Sanitiser points are installed at several locations throughout the Lodge, the breakout and isolation areas.
